

The Privilege Mural

Interactive Lifesize Installations

What it is

A Stock check of individual and collective privileges.

Walk-through interactive 'Experience Booths' with large canvases designed to facilitate introspection and self-learning with the objectives of sensitization and inclusion.

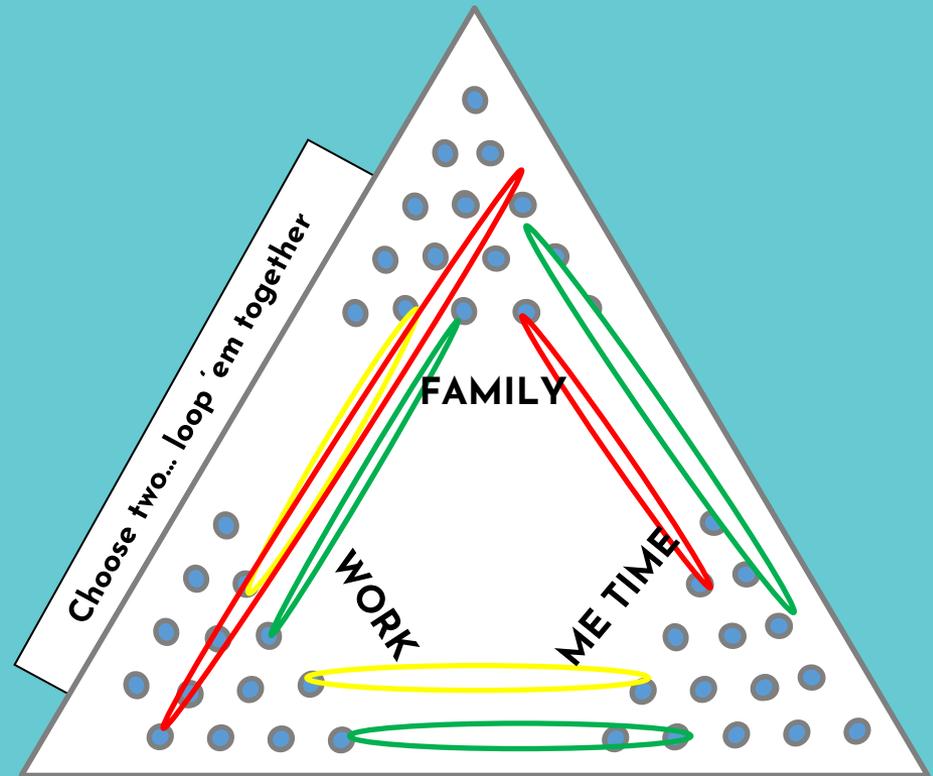

How it works

Audience walks in and through the set-up.

Different shaped canvases with close-ended statements/ questions that are relevant, self-directed and introspective.

Markers of different forms corresponding to identities, etc are placed at the foot of the canvases (e.g. ladyfinger, yarn, etc.)

Participants are invited to chose markers and add their 'truths' to the pool.

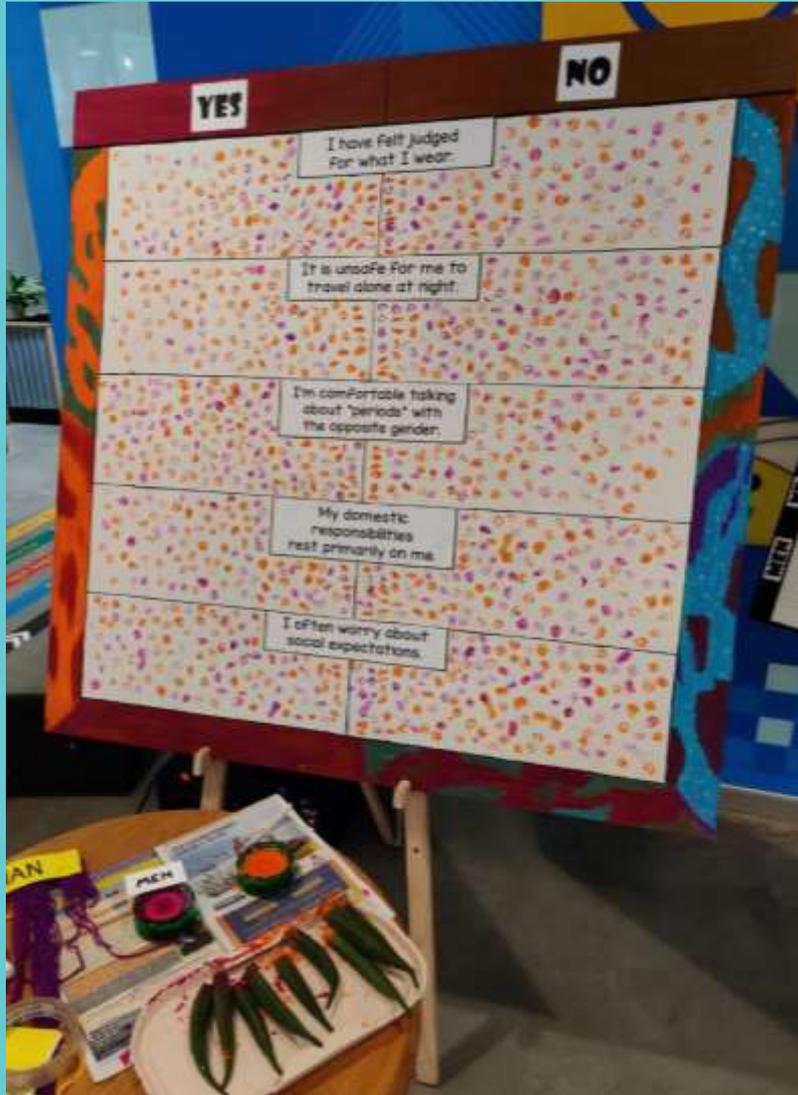

In the example above participants loop together 2 of 3 privileges of time they enjoy easily.

Men - Red loops

Women - Green loops

Non-binary - Blue loops
